Review Back to School Packet and Attend Welcome Meeting

Back to School Packets are sent out over the summer and contain important information such as: Student Supply List, Parent Handbook, How to Get Involved, School Calendar, Parent Association information, and so much more. Back to School Packets are only sent when Enrollment through TADS has been completed.

Once the TADS enrollment is complete, please take time to schedule a Welcome Meeting with Admissions. During your Welcome Meeting, you will meet your child's teacher, see their classroom, review all materials prior to their first day, and meet other members of administration.

Attend Orientation

Orientation is offered the week before school begins in September. During this time, your child will come to see their classroom, meet their teacher, as well as their new classmates. Teachers will give tours around their classroom and talk with parent and students about the routine, homework, classroom rules, parent communication, etc, and do a fun activity together.

First Day of School!

Finally, it is the first day of school! This is a very exciting and nervous time for parents and students. Please help to prepare your child for this new experience by talking with them about learning a new language, meeting new friends, and how wonderful school will be! The first day of school is currently scheduled for September 7, 2021.
