

Parent Involvement

Studies have shown that parent involvement positively affects student achievement, and it contributes to higher quality education and better performance of schools. After such a challenging year, SELA welcomes our families back into the classroom to participate in activities! At this time, we are requiring any parent volunteer that will enter the classroom to have the COVID-19 vaccine.

Share Your Heritage for National Foreign Language Week March 2022

Come Read at Parent Story Time

Parent Story Time is offered every month in each Infant - JuniorK classroom. During these times, parents are invited to come in and share a story with their child's class in either Spanish or English. Parents are welcome to bring a book from home, or your child's teacher would be happy to provide one.

Join the Parent Association (SEPA)

The SELA Parent Association is always looking for volunteers and new ideas. The SEPA's main goal is to strengthen the SELA community through fun family events. Meetings are held the first Tuesday of each month at 7pm virtually over zoom - All Are Welcome! This is a wonderful way to start getting involved with no/low commitment!

Room Parents

Become a room parent for your child's classroom! Room parents help the Parent Association prepare activities for the classroom and teacher, as well as organize at least 1 SELA community building event throughout the school year. Room Parents are part of the Parent Association, and are required to attend at least 4 PA meetings throughout the school year.
